Property **Owners** tired of countless unapproved applications, bad renters, emails, phone calls, showings and advertising? Hire Mark A. Venegas, Corporate Relocation Specialist to exclusively list your property for you and find you a great relocation client. We charge 8% of the first year lease. We do the advertising, place your property on five websites, answer all emails/calls, show all the properties, do the open houses, credit/background checks, prepare leases and help with the move in process. We take pride in our customer service!

Renters tired of competing for your dream apartment, condo and or house? Hire the AMSI Dream and Leasing Team to find you the perfect property.

We make all calls to Owners for showings, negotiate and prepare the lease for you and help with the total move in process which includes utility and furniture set up, etc. We charge a percentage of the first month's rent. We do everything, and find you the best rental property. This will save you time and money.
